and the sound of rain fills the air with calm.
Here, exquisite Bespoke Furniture comes to life — imbued with the spirit of true craftsmanship:
the warmth of wood, the supple touch of leather, and the quiet harmony of stone, metal, and glass.
Listening to the way materials deepen with time, and tailored to each person's sensibility,
We craft furniture that quietly mark the passage of time with beauty.
IYB. offers an irreplaceable place — made just for you.

手仕事がつくる価値
Bespoke Furniture の提案

Value crafted by hand.
Our vision of Bespoke Furniture.

【IYB.】は、デザイナーと職人が互いの感性を響き合わせ、手仕事から新たな家具の価値を創造するブランドです。イヨベ工芸社が長年培ってきた高度な椅子張り技術と、家具の製作や修繕を重ねる中で育まれた誠実な姿勢を活かし、使う人の好みや細やかな要望に寄り添い、かたちにする【Bespoke Furniture】を提案します。まるでテーラーがスーツを仕立てるように、職人の手仕事による一人ひとりの価値観に合わせてつくられる家具は、至高の暮らしを形づくる上で欠かせない存在となります。自ら選び、使い続けることで育まれるこだわりや愛着。その積み重ねから生まれる、量産では得られない充実感こそ、私たちが家具づくりで最も大切にしている価値です。

[IYB.] is a brand where designers and artisans bring their sensibilities into harmony, creating new value in furniture through the art of craftsmanship. Building on the advanced upholstery techniques cultivated over many years by Iyobe, and the sincerity fostered through decades of furniture making and restoration, we offer Bespoke Furniture that reflects each person's tastes and subtle wishes. Like a tailor crafting a suit, our artisans create furnitures that embody individual values and lifestyles — pieces that becomes an essential part of a truly refined life. As time passes — through the act of choosing, using, and nurturing — a deep sense of attachment and discernment naturally take root. It is this accumulation, this sense of fulfillment unattainable through mass production, that we cherish as the heart of our furniture making.
